EDNEY SETUP POLICY

1. Set-Up service must be ordered and scheduled a minimum of two weeks in advance of the pick up date.
2. Set-Up service is subject to the Warehouse Manager's approval to accommodate workload and staffing.
3. Set-Up service includes basic assembly only; machines are not considered field ready.
4. **Final preparation for use, including pre-delivery service, adjustments, and pre-delivery inspection, is the responsibility of the dealer.**
5. Due to yard space limitations, Edney Distributing Co., Inc. requests that dealers pick up their equipment within one week of the agreed upon completion date.
6. All other Equipment not listed is subject to manger's descretion at a rate charge of \$150.00 per hour.
