T₃ DRIVER[®]

THE T3 POST DRIVER IS A SMALL DRIVER THAT DELIVERS BIG TIME RESULTS!

The T3 Driver will drive T-posts up to a 3" O.D. pipe at a rate of up to six strikes per second. The top of the post is fully contained to prevent kick out and protected from damage by the strike plate. Use your tractor, skid-steer, mini-skid-steer, mini-ex, loader, or backhoe to carry the weight of the driver. This is an ideal post driver for most farmers, ranchers, fencing contractors, and rental yards.

EFFORTLESS POST DRIVING

ACCESSORIES

Plumb Bob
PN 21356

Provides vertical line reference for operator

Extra Mount Bracket
PN 21302

Bolt-on/weld-on bracket that mounts to a flat surface

Quick Attach Mount
PN 21303

A HISTORY OF INNOVATION

Established in 1910, Danuser is a 4th generation, family owned and operated company. With decades of design and manufacturing experience, we build our products with reliability that they will last for generations. From our renowned auger system released in the mid-1940s to the more current designs, our commitment to our customers remains the same - to design and build products that are the benchmark of quality, reliability, and longevity.

In the words of our founder K.B. Danuser, "Good enough won't do - it must be right."

Danuser manufactures industrial and agricultural attachments for various applications, serving many industries worldwide. Please visit www.danuser.com to see our full line of attachments.
