

GRYB

AG & LIGHT INDUSTRIAL

REVERSIBLE ATTACHMENTS

COMPATIBLE WITH JOHN DEERE AND HITACHI COMPACT EXCAVATORS

GRYB offers a full line of reversible attachments engineered specifically for John Deere and Hitachi style compact excavators. At the core are our OEM-compatible reversible lugs, allowing you to work in a reversible position, confined spaces, and near buildings with ease. Every GRYB attachment in this lineup is compatible with our AHJ wedge coupler, ensuring a perfect fit, optimal performance, and hassle-free integration to your machine.

Take advantage of our patented reversible lugs, built for maximum versatility and durability in the field, saving you time and machine repositioning.

REVERSIBLE ATTACHMENTS

COMPATIBLE WITH JOHN DEERE AND HITACHI COMPACT EXCAVATORS

AHJ WEDGE QUICK COUPLER

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Type	Mechanical or hydraulic

HEAVY DUTY BUCKET

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Width	16 to 30 inches
Capacity	0.06 to 0.24 yd ³

Made to handle various small materials in the construction industry.

Side cutter available bolted or welded.

Optimized angle for filling and dumping.

DITCHING BUCKET

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Width	30 to 48 inches
Capacity	0.10 to 0.42 yd ³

Filling and dumping at an optimized angle.

UNIVERSAL HYDRAULIC THUMB

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Length	18 or 20 inches
Weight	55 lbs

130° rotation.

Light and compact design.

Cushion-shock absorbers are included.

Two possible length setups.

ROOT RAKE

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Width	31 or 37 inches
Number of tines	6 or 7

Choice of inter-fingers spacings.

Anti-trapping system included.

Choose between multiple configurations.

RIPPER

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Length	20 or 24 inches
Teeth	J200, J225, J250

Offers superior digging force.

Interchangeable bolt-on teeth.

HYDRAULIC TILT DITCHING BUCKET*

JD models	17 to 60
Hitachi models	ZX17U-5 to ZX60USB-5
Width	30 to 60 inches
Capacity	0.08 to 0.42 yd ³

*Not available in reversible position.

Hardened chrome-plate axle with greaseable wearing rings.

Hydraulic cylinders with 45° tilt on each side.
